

## ASSIGNMENT 2

### SCREENSHOTS:

The screenshot shows the Visual Studio Code interface with the file "welcome.blade.php" open in the editor. The code is a Blade template for a Laravel application. It includes meta tags, a title, and a main content section with a large blue header "Rusty Lopez". The code uses Tailwind CSS classes like "text-4xl font-bold text-gray-900 dark:text-white" and "flex justify-center". The file is part of a Laravel project structure, with other files like "app.css" and "app.js" visible in the sidebar.
